This day is dedicated to Dr. SarvepalliRadhakrishnan –second President of India. The great academic philosopher and one of the most well-known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

A celebration conducted in our department by all final year students. The whole function was planned by ShriHiren V. Mandalia (Head of Department) with faculty coordinators. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers.
