DEPARTMENT VISION & MISSION

Vision:

To provide quality education emphasizing technical skills to cater to the needs of industry and society.

Mission:

- M1.** To impart technical knowledge by using latest available facilities.
- M2.** To inculcate technical skills into students for their professional development.
- M3.** To nourish personality by emphasizing ethical values.
- M4.** To facilitate career development support through proper guidance.

Programme Educational Objectives (PEO):

- PEO1.** To apply the principles of Mechanical Engineering in various employment areas.
- PEO2.** To achieve professional success both as individual and in team environment.
- PEO3.** To pursue life-long learning through professional practice and higher studies.

Programme Specific Outcomes (PSOs):

- PSO1.** Able to operate and maintain mechanical systems.
- PSO2.** Capable of manufacturing or processing the product as per society needs with environmental safety.

Inauguration of Campus to Corporate Program

Inauguration of Campus to Corporate Program was as on 21st July 2018, at Government polytechnic, Jamnagar by mechanical department. There are total 141 students beneficiary and 22 faculties involve in this program.

Campus to Corporate programme started for bridging the gap between the academic Institutes and Corporate Sector. Siemens Center of Excellence is also situated at the institute for the betterment of students to help them excel in recent advanced technologies.

Session on Technical and Aptitude Test

Staff member of Mechanical Department conducted a brief lecturer on different domains like Technical Subject, and Aptitude, Verbal and Non verbal Reasoning on working Saturday 10:30 to 1:30 pm. 70 Students were benefited of this programme. Lecture on Technical Session, Aptitude session, Soft Skill, Group Discussion and Personal Interview was conducted total 21 hours session was conducted.

Expert Lecture

An Expert lecture was arranged at Govt. Polytechnic Jamnagar by Shri Mukhtar Sama Mechanical Engineering from Marwadi Education Foundation on Theory of metal cutting. Students can get better exposure in metal cutting theory after this lecture in depth by power point presentation; approximately 37 students of final year mechanical attended this lecture.

Session on Personal Interview

Manytimes it happens with students that after shortlisted through written examination, students cant perform in the interview, as lack of skill of better communication as well as lack of several soft skills. As a result of that student cant get the job though he/she is fit for the job. In order to overcome these gap, “How to Face Interview” expert lecture was organized to cater the demand of 6th semester mechanical students on 14th March 2018, by Shri H.V.Mandalia, HOD, Mechanical Department, Shri V. R. Maniyar and Shri D.B.Harsora Sir, TPO, Mechanical Department.

Interview of Gokul Ford

Employee of Gokul Ford (located at Hapa- Jamnagar) came at G. P. Jamnagar on 28 March 2018 for interview of Mechanical, Electrical and Computer branch final year students.
